

Middletown Transit District
Complimentary COVID Vaccine Transportation

Program Overview

The Middletown Transit District's **Complimentary COVID Vaccine Transportation** provides accessible transportation within the Middletown Area Transit service area and is available 7 days per week. The service is available to all residents within the Middletown Transit District (MTD). Participant's taxi rides to designated COVID vaccination sites within the Middletown Transit District are paid 100% by MTD.

Service Area

The trip must begin in one of the following towns: Middletown, Middlefield, East Hampton, Portland and Durham. To use the Complimentary COVID Testing Transportation, find a vaccination site within these towns.

How To Book A Trip

You may book a trip by calling the taxi provider, **Curtin Transportation, at 860-443-1655**. Reservations may be made between 9:00 AM and 1:30 PM Monday through Friday at least one day in advance. The vehicle will provide wait and return service, and can be used for drive through vaccination sites. A wheelchair accessible vehicle will be provided upon request.

Attendants/Companions

Up to three (3) companions, including a Personal Care Attendant (PCA), may ride for free with the eligible rider. The eligible rider and companions must have the same origin and destination.

COVID Precautions

All riders are required to wear a mask. The vehicles are equipped with front to back protection barriers. After each ride, the vehicle is wiped down with disinfectant wipes.

Complimentary COVID Vaccination Transportation will be available until June 30, 2021 or until funding is exhausted. MTD reserves the right to limit number of uses per individual.
